CHATHAM IN WINTER

There is an unmistakable air about the winter beach; the seedy, forlorn, abandoned, waiting cottage says it all. But, elsewhere in Chatham, summer sport carries on through the winter as the tiny Frosties manned by hardy sailors take to the bay to sail their regattas.

At top .. one of the many year-round homes makes a very pretty statement in spite of the drab season.

Voters give Keller Development Go-Ahead

MATTAPOISETT SPECIAL TOWN MEETING
FEBRUARY 14, 1989-by VIRGINIA MORGAN

At last Tuesday's Special Town Meeting voters accepted two money gifts from the Keller Company; one for $1.2 million to pay the entire cost to bring the water system from Park Street to not only the Keller development on Brandt Island Road, but to open the door for homeowners in the Brandt Island area to tie into the water system at a later date. Of the 176 voters attending, only 10 voted against the gift.

The second money gift was in the amount of $350,000 to help the town pay its share of increased capacity in the expansion of of the Fairhaven Sewer Treatment Plant. This vote passed unanimously.

The $1.2 million is the amount engineers Whitman and Howard gave the Water/Sewer Commissioners that it would take to extend the town water system from Park Street to the "Nunes Farm", so-called, at or near the intersection of Brandt Island Road and Brandt Beach Avenue. The vote authorized the Commissioners to expend the gift to hire an engineer to prepare all necessary and useful plans and studies, including construction plans, and to put the construction of the extension out to bid and to hire a contractor and pay any accessories and the resurfacing of any ways as part of the construction.

In explaining where the Keller Company stands, Mr. Joseph Keller explained, "Admittedly we would be disappointed if this doesn't pass; we are not here to make

a deal. If we are going to use the water, we feel we should pay for it 100 percent. We don't want to put a burden on the town. Our engineers' cost estimate was $1. million; the town's engineers' estimate was $1.2 million."

Mr. Keller's explanation came in a reply to Ms. Dianne Perry's question, what happens if the cost is more than the $1.2 million. Town Counsel Donald J. Fleming also said, "We come back to you, the voters. We would have more cost information at that time."

Water/Sewer Commissioner Charles A. Morgan said, "I never thought I would be standing before you with this proposition. For 20 years I've been anxious to get water to Brandt Island and Brandt Beach because the wells are not of the best quality. This is absolutely no cost to the town. It will greatly improve the flow from hydrants for fire protection along Route 6, Mattapoisett Neck Road and Brandt Island. If we fail to accept this proposition, I question the mentality of those voting against it. The Water Commissioners back this one hundred percent."

Nicholson moved the question and answered many questions pertaining to the town's ability to furnish water to the development. He responded to a question on why the pipes are coming from Park Street and not Neck Road, saying the water mains on Neck Road are not of sufficient size and that using the railroad bed will strengthen the whole system.

Question: We voted to build a pollution control facility, how will this affect the new line? The Superintendent replied the control facility will be built between the two well sites and the water will be treated before being pumped to Brandt Island. Question: If Brandt Island Road has water available and if there are 50 to 75 new homes on the road (not the Keller development) what would a new well cost and can we supply all these homes? The Superintendent answered, "At this point we need another well whether this development is built or not. At the May annual town meeting we are asking for funds for a new well site. Probably three or four years down the road we will seek funds for a new storage tank which would cost, as of now, about $900,000. And, yes, we do have a water study report but we need to discuss it with our engineers. We will probably need in the neighborhood of $1.5 million

for a new well dug, pumping station and extensions."

Town Counsel Donald Fleming commented, "We have a developer wanting to give you $1.2 million - it's not going to cost you anything. If the $1.2 million isn't enough, we don't do it. Yes, it will benefit the developer, but it will also benefit the town. A standpipe and well are not going to be created because of this development. In my personal opinion, this is in the best interest of the town. The State DEQE may come into the picture in the future and we will have to get water to the Brandt Island area."

Town Counsel added, "The Board of Selectmen and Water/Sewer Commissioners want this to be out in the open. They could have accepted the gift outright without coming to town meeting but they didn't want to do that."

Ms. Perry, saying the golf course would be in her backyard, asked about the 200 gallons per day of ground water the golf course will take. "Do you have any projected plans for testing our wells? It could be several years before water comes to Leisure Shores. My well could get contaminated by usage of the water for the golf course."

Ron Davis, Mr. Keller's partner, explained the Keller Company is in the process of preparing an Environmental Impact report with the State DEQE and EPA (Environment Protection Agency) on the anticipated use of the ground water for the golf course. "We have 16 well heads monitoring the water now. The results will be filed with DEQE and they have the final approval. There should be no impact on surface wells in that area." He added

that the run-off will be controlled and should have no impact on Shaw's Cove. Retention ponds will be re-pumped onto the golf course. "We have spent thousands of hours to make sure we make no adverse effect on our neighbors. If irrigation wells brought down area wells we couldn't do it."

Mr. Keller said, "We have had to make several changes in the golf course as we found we have a lot more wetland than we first thought. We hope to start this summer on the golf course. If we get the town Planning Board approval for the roads and lot layout we can get started in the fall. The golf course will take one year to construction and then another nine months for seeding. We can expect completion by 1991."

Another taxpayer questioned how does the gift for the water relate to the gift for the sewerage. The Superintendent said the sewer lines and station will be paid completely by the developer.

Water Commissioner Donald C. Wood commented, "Personally I'm very happy with this proposal. We're not going to forget

the developers over a barrel. We are benefiting from this offer. The sewer expansion costs have increased because there are no state or federal funds to help Mattapoisett pay for reserved capacity."

The second article, to accept the gift of $350,000 from the Keller Company to help pay for the sewer capacity expansion at the Fairhaven Treatment Plant, was passed unanimously.

Town Counsel explained, "You have already voted to pay for this capacity expansion in Fairhaven. This gift will be added to the $450,000 already voted for a total cost of $800,000."

Responding to a question about the possibility of the rest of the town losing out for sewer expansion if the town commits itself to this development, Mr. Nicholson explained, "We have a 250,000 gallon per day capacity, using an average of 125,000 gallons per day, with 125,000 gallons per day in reserve. The added capacity of 250,000 gallons per day will give us a total of 500,000 gallons per day capacity. With 400 houses presently sewered and a 15 to 10 year expansion plan for the town, this development will have no impact on it at all. The development use will be about 80,000 gallons per day. We would have about 130,000 gallons per day capacity for future development."

Marion Visiting Nurse Assoc.

CELEBRATED NATIONAL VISITING NURSE ASSOCIATION WEEK-FEBRUARY 19-25

February 19-25 is National Visiting Nurse Association Week. The Marion Visiting Nurse Association has come a long way during its 75 year history.

The early days of the Marion Visiting Nurse Association were filled with change, expansion and growth. More than that, though, the years were filled with people.

The Marion VNA would not be the agency it is today without the many people who have supported the agency, not just those who lent financial support but also those volunteers who have contributed to the growth of this agency. The list should include patients as well as agency staff.

These individuals have brought the Marion VNA from a small community nursing program to the comprehensive home health

Antone Mello Sets New Record

Back in the late 1960s a player by the name of Peter Trow set the all-time record for scoring in basketball at ORR. He began his venture in his sophomore year and when his senior year had been completed, he had scored 1,279 points. Peter went on to play basketball at the University of Massachusetts for four years.

surpassed that mark. Antone started his varsity career as a freshman, and has, to this date, started 79 consecutive games. He has never missed a game in his four years. Antone can shoot inside or out, a quality which Peter Trow also had.

This season Antone is averaging 19.5 points per game and 11 rebounds. He was selected to the Street & Smith Honorable Mention list in high school basketball, has been a Standard-Times All Star and South Coast Conference All Star for the past two years.

This year's ORR team is headed for State Tournament play and has secured the South Coast Conference Championship.

Antone's Mom and Dad are Mary and Antone Mello of Marion.

Clara D. Morgan is seeking the three-year term on the Mattapoisett School Committee in the April 4 town election and not the one-year term as was printed in last week's Presto Press. The Presto Press regrets the error.

ORR Attendance Policy Meeting

There will be a meeting at Old Rochester Regional High School on Monday, February 27th, for parents who would like to discuss the attendance policy. The meeting will be in the cafeteria at 7:30 p.m. and will be chaired by representatives from SCORR.

A.F.S. Telethon

For the past 3 weekends students from the Old Rochester American Field Service Club have been conducting a Telethon. A.F.S. is a non-profit organization which sponsors intercultural exchange programs between countries through foreign exchange students. This year Old Rochester is hosting three students: Sam Tuomola of Finland, Patience Dapaah of Ghana, and Rana Janeb of Jordan.

Right now there are two Old Rochester students studying abroad: Tom Peccini from Mattapoisett is in Italy, and Matthew Wisniewski from Rochester is in Finland. Also, last summer Stacy Charbonneau from Mattapoisett participated in an archeological study program in Italy.

We thank all who have already so generously donated. However, if we missed you because you were not at home when

Rochester Kindergarten

The second week of registration for students entering Kindergarten in September 1989 will take place during the week of March 6 through March 10 at the Rochester Memorial School from 9:00 a.m. to 11:30 a.m. Registering your child is very important because program planning for the kindergarten is based upon these registrations.

Parents should bring a birth certificate to the registration that verifies that their child was born on or before December 31, 1984. The kindergarten policy states that a child must be five before January 1st to be eligible to attend kindergarten the following September. A physician's certificate must also be presented to the school stating that the child has been successfully immunized against diphtheria, pertussis, tetanus, measles, mumps, and poliomyelitis. Registration cannot be completed without this

EXHIBITION BASKETBALL BENEFITS MEMORIAL SCHOOL 5th GRADE

On March 2nd at 7:30 the fifth grade students of Rochester Memorial School will sponsor an exhibition basketball game with the New England Patriots. The proceeds from the game will help the students attend Nature's Classroom in Sandwich, MA.

The Patriots' basketball roster includes such names as Doug Flutie, John Stephens, Roland James, Cedric Jones, Ronnie Lippett and several others.

One of the teams playing against the Patriots will be from the New Bedford Chamber of Commerce featuring Mayor John Bullard and several chamber members. Their help in sponsoring a team is greatly appreciated by the students at Memorial School.

Craig Sherman, the head football coach at ORR High, is presently assembling an all star team made up of former area basketball players. This team will also play a portion of the game against the Patriots.

The other participants in the game will be students and parents from Memorial

Cholesterol Level Testing

Interested in knowing your cholesterol level? On Thursday, February 23rd, from 9 a.m. to 12 noon and 2:30 to 4 p.m. for a fee of $5., cholesterol levels will be done at Marion Visiting Nurses' Office at Sippican School.

The key to controlled blood pressure in most patients is adherence of an exercise regime, compliance of prescribed medication and a reduction of sodium consumption.

Marion Visiting Nurses will be giving a lecture, also at the Sippican School office, to give more hypertension patients helpful hints to improve compliance, on February 23rd at 2:30 p.m.

Following the lecture will be a meeting of the Marion Walking Club of all old and any new members.

Mattapoisett Council on Aging

OFFERS HEALTH INFORMATION

SHINE (Serving the Health Information Needs of Elders) is a program that has trained volunteer counselors to assist senior citizens in many areas of health information.

Mr. John Hall has been certified and will be the volunteer counselor for the Mattapoisett Council on Aging. He is prepared to assist in many ways. Anyone wishing to get information on Medicare, Medex, Medicaid, including assistance with filing claims can plan a visit with Mr. Hall. Please call the local Council on Aging between the hours of 9 a.m. and noon to request an appointment. The number to call is 758-3758.

Mr. Hall will be available for appointments on Mondays each week in the Council office located on the second floor of the Town Hall in Room 202.

Indoor Yard Sale

The Marion United Methodist Church is sponsoring an Indoor Yard Sale and Bake Sale at the church on County Road on Saturday, February 25th, from 9:00 a.m. to 3:00 p.m. Spaces (including tables) are available for a $10. rental fee. Since total available space is limited, reservations must be made in advance by calling 295-1299 or 763-5241. A snack bar featuring hot dogs, coffee and finger food will be open throughout the day. Homemade baked goods will be sold at a separate table while they last. Don't miss this opportunity to browse and shop protected from the winter weather.

INVENTION CONVENTION

Last week at Old Hammondtown School the Sixth Grade students participated in an Invention Convention. This was the culminating activity of a Science unit in which the students learned about the inventive process and about famous inventors. At the Invention Convention the students presented their own inventions to a panel of judges. Parents, friends and schoolmates also attended the convention.

Honorable Mentions went to Matthew Amoruso, Kristen Olsen, Nicole Beaudry, Jason Ruel and Katie Dutra. Second place ribbons went to Jillian Schuessler and Jonathan Michaud. The first prize winner was Adam Kolek, who invented a 3-way windshield wiper for snow, frost, or rain. All participants received certificates.

LETTER TO SELECTMEN
RE: HISTORIC DISTRICT

Although I am about to very critical of your handling of this issue, two points must be made in advance:

1. The time and energy required to execute the duties of Board of Selectmen are extensive, the judgements are seldom easy and the rewards are hard to identify.

2. Most of us agree on good architecture, but few of us are trained to know how to achieve it. I am certainly not trained that way but I can recognize some awful additions and modifications around town. Personally, therefore, I am in favor of a review board to assist me in thinking about any future changes to my property----and most of mine is visible from the street.

But, Gentlemen, only in the banana republics do we throw out a vote because it didn't favor our objective. In addition, it's a mistake of monumental proportions to challenge the integrity and judgement

of the group of volunteers you yourselves appointed to bring this issue together; especially since the town-wide questionnaire last fall suggested strongly that some protection of the downtown district was desirable.

You have drawn the battle lines against volunteer contributions. This is an invitation to suspicion and hostility toward government. In short, you have shot yourself in the foot.

In my judgement, your only possible redemption lies in rescinding this fallacious re-vote and bringing the issue to the town floor for intelligent debate and the moderator's count on the final vote.

Gentlemen, I am sincerely critical of your handling of this issue. I am, nevertheless, appreciative of the continued commitment you invest in executing the town's business.

Very truly yours,
Randall H. Kunz

LETTER TO THE EDITOR
MATTAPOISETT HISTORIC DISTRICT:
A TIME FOR ACTION

Residents of the historic harbor district are now voting on a proposed by-law that will impact not only their lives, but the lives of future generations to come. The purpose of this by-law is to preserve the unique, special historic quality of the district. Such action has a significance not only for the district but for the entire town of Mattapoisett.

Due to rapid expansion and change, such a by-law is necessary in order to ensure the preservation of our neighborhood.

Since the completion of Route 495, our town has become much more accessible to the rest of the state, particularly Boston and Providence. Mattapoisett has been discovered. In fact, the Southeastern Massachusetts region has a much higher growth rate than any other part of the state. Look at all the development that has occurred in our town in just the past two years! What's more, our area has become attractive to investors, some who may only be interested in making a fast buck. While planned growth can be advantageous, unplanned growth can be disastrous.

Some argue that anyone who buys a home here would keep it in character with the remainder of the village. This assumption has not held true in many other towns throughout the state and the country. We have been lucky so far, but how long can we depend upon luck? It only takes one or two people to change the complexion of our area. Others fear that such a by-law would prevent them from maintaining their homes. However, experience has shown that home maintenance actually increases, not decreases, in historic districts. The restrictions that are enforced need not be intrusive and in fact would probably not alter what the vast majority of owners want to do to their property anyway.

In order to maintain our homes, we must

also maintain our community and sometimes that calls for the establishment of some rules. What's the alternative? Would you really want to live in an area without any restrictions? For example, look at what happens to communities without any zoning. When I was housing hunting I examined a beautiful home, reasonably priced, that was on the market for over six years because the buildings surrounding it were not kept up. Property values plus the ability to sell your property are enhanced, not inhibited, by being located in an historic district. Most people want the protection that an historic district has to offer. Having to go before a commission is a small price to pay for such protection. Furthermore, we can take steps to ensure that this Commission is fair. After all, we elect our Selectmen. If the Selectmen fail to organize a competent Commission, we can vote them out of office. We can demand input into the process.

The preservation of our town is too important to leave to chance alone! Wise planning can prevent problems from ever occurring. The time for planning is before, not after, problems develop. After all, more than increased property values, tax breaks and enhanced living conditions, the historic district represents an attempt to preserve our heritage, which, once lost, can never be regained.

Patricia A. McPartland, Ed.D.
Resident of the Historic Harbor

opposed to bigger government and more regulation than is absolutely necessary. We have seen nothing but improvement in the village area of Mattapoisett where old houses have been consistently improved.

I do not believe that a basic freedom so close to the individual as the control over the home he or she owns should be relinquished to yet another government committee.

Personal freedom goes one vote at a time. If this control is approved it will never come off the books but will remain in force to be amended and added to for all time.

The proposed historic district is a solution for which there is no problem. I will vote against it.

Brief vignettes of programs appropriate for community groups such as garden clubs, historical societies, art associations, literary groups, women's clubs, and church organizations will be presented by speakers and entertainers who advertise in Federation Topics, the monthly MSFWC publication.

Club leaders find these sample presentations helpful in planning programs for the coming year.

Registration is $3.00 for MSFWC members and $5.00 for non-members and will start at 8:45 a.m. at the door. Coffee will be available.

For further information call Shirlee L. Thomas, president of the Sippican Woman's Club, at 748-1375, or Evelyn Jenks, president of the Mattapoisett Woman's Club, at 758-9565.

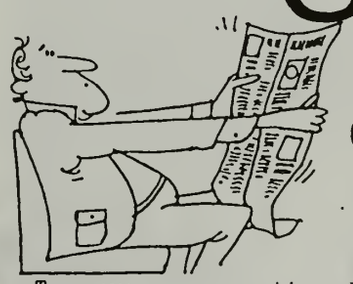
BUS TRIP TO MUSEUM OF FINE ARTS

The New Bedford Whaling Museum is sponsoring a bus trip to the international exhibition, "Goya and the Spirit of Enlightenment", at the Museum of Fine Arts Boston on Thursday, March 23rd.

Organized by the Museum of Fine Arts with the Prado Museum in Madrid in collaboration with the Metropolitan Museum in New York. "Goya and the Spirit of Enlightenment" includes more than 130 paintings, drawings and prints by Francisco Goya. "Goya investigates questions about what should be the relationship of religion to politics, faith to reason, war to morality, and about the wellsprings of human behavior", according to Eleanor Sayre, Curator Emeritus of Prints, Drawings and Photographs at the Museum of Fine Arts.



eye talk

Q. I didn't need glasses until I was 45 and then only for reading. Now I need new ones every year. Why?

To answer your question, let's briefly review some eye anatomy.

Inside your eyes, behind the pupil, is a small transparent lens. It is so flexible it can change its shape. This is what makes it possible for us to see sharply and clearly for reading and other close work.

After age 40, this lens has lost some of its flexibility and can no longer do its job right. This is what happened to you.

Each year the lens becomes less and less flexible. Your optometrist can help you compensate for this loss by prescribing the proper lenses to meet your changing needs. These can be either eyeglasses or contact lenses. Annual examinations are, therefore, important in helping you to maintain good vision for everything you want to do.

Presbyopia, as this vision condition is called, affects or will affect us all.

Senior Speakout Series

You can make your voice heard on matters affecting older people in your community by participating in one of nine local Senior Speakout forums. Help Coastline Elderly Services, Inc. and your local Council on Aging plan services and programs that are responsive to the needs of older people in your community.

Is transportation a problem for area elders? What are the housing and employment issues facing older people? Are medigap insurance policies and forms too confusing? Is accessible, affordable health care available? Perhaps you are caring for an older person. What problems are you encountering as a caregiver? Come share your ideas and experiences. "Speakout" about what programs and services seniors want and need.

The schedule for the Senior Speakout Series for this area is:

Mattapoisett, Thursday, February 23rd, 10:30 a.m., Village Court Community Room.

Marion/Rochester, Wednesday, March 8th, 9:30 a.m., Rochester Town Hall.

For more information call your local Council on Aging or Coastline Elderly Services, Inc. at 999-6400.

Spring Flower Show

The New England Spring Flower Show will welcome in spring at Boston's Bayside Exposition Center from March 4 to 12. Presented by the Massachusetts Horticultural Society, the Spring Flower Show is the country's longest running flower show in America, with 1989 marking its 118th consecutive year. Richard H. Daley, Executive Director of the Horticultural Society, announced the dates of New England's traditional spring festivities and revealed this year's theme, "T.F.I.S....Thank Goodness It's Spring!"

Over four acres of landscaped spring gardens in peak bloom will make up the 1989 New England Spring Flower Show, one of only three comparable exhibitions in the United States. Professional landscape and floral designers, garden clubs, educational institutions, plant societies and individuals work with professional stage and lighting

1989 will mark the first year that the Massachusetts Horticultural Society will present its own exhibit at the Spring Flower show. Through the magic of the latest theatrical technology, this spectacular display will feature a New England garden during winter's last snow storm complete with a thawing stream leading towards glorious spring blossoms.

The Horticultural Society encourages home gardeners, plant societies and garden clubs to enter unique plants and flowers in the Amateur Horticulture Competition. A special exhibit hall at the show is devoted to work of amateur horticulturists. For entry information contact the Massachusetts Horticultural Society at (617) 536-9280.

New England Spring Flower Show hours are 10 a.m. to 10 p.m. weekdays and Saturdays and 10 a.m. to 8 p.m. on Sundays. The best viewing hours can be found on weekday evenings when attend-

The Society also encourages early ticket purchase, noting that tickets for March 4 and 5 may be purchased in advance for $7.00; tickets for March 6-12 may be purchased in advance for $5.50, a savings of $1.50 off the regular ticket price for those days. Advance tickets may be obtained from the Society, at participating Star Markets and Underground Camera Stores, and from florists, garden centers and show exhibitors. During the show, tickets may be purchased at the gate for $7.00; $6.00 for senior citizens and $2.00 for children aged 6-12. For ticket information call (617) 262-8780.

The Spring Flower Show can be found at the Bayside Exposition Center, just off the Southeast Expressway (Route 93), at Exit 15. Ample parking is available.

Proceeds from the New England Spring Flower Show benefit the Massachusetts Horticultural Society, a non-profit organization.

EXHIBITION-"AGE OF ROMANTICISM"

An exhibition on the "Age of Romanticism" will open March 10th at the Rotch-Jones-Duff House & Garden Museum.

"William Wordsworth and the Age of English Romanticism" is an exhibition of 24 full-color poster panels, illuminating the life and work of the poet, his contemporaries in literature and art and the extraordinary age in which they lived. Robert Hughes in Time magazine described it as "one of those singular exhibitions that take you into the heart of a cultural moment".

The poster panels combine clearly written commentaries with high, full color reproductions of paintings, watercolors, portraits, manuscripts and rare books of the major artists and poets of the age of English Romanticism. Among those rep-

superhero of children, follows the adventures of Tyrone, a Tyrannosaurus who undergoes a remarkable transformation. When the show begins, Tyrone is a ferocious, fearsome creature, the King of the Dinosaurs. But he changes to a gentler creature when he befriends a baby Brontosaurus, and learns to resist the pressure of his peers and becomes strong in a different way - strength of character rather than brute force.

John Burnstein (a.k.a. Slim Goodbody), the author of "Dinosaur Days", created the character of Slim Goodbody in 1974. Wearing a costume that illustrates the human body, he began to teach children about their bodies and how to keep them healthy.

In addition to the Captain Kangaroo show (where he was a regular feature for four years) and his series on Nickelodeon, Mr. Burnstein is known for his three award-winning series on PBS - "The Inside Story", "Well, Well, Well" and "All Fit with Slim Goodbody". He has also produced a series called "Body Builders" in cooperation with the President's Council on Physical Fitness and Sports.

The Saturday Youth Theatre Festival will conclude with Stromberg and Cooper's comical show on April 29th at 10:30 a.m. and 1:00 p.m.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford.

CERTIFICATION AMERICAN RIDING INSTRUC.

National certification has been awarded to Jane M. Pariseau, daughter of Armand and Catherine Pariseau of Mattapoisett, in the American Riding Instructors' Certification Program.

The ARICP is the only nation-wide organization joining professionals in this industry. Its principles are based upon safety, integrity and professionalism.

Ms. Pariseau attended the four-day 1988 Conference and Rating Center in Mount Laurel, New Jersey in November. Testing focused on knowledge pertaining to general horsemanship, equine health and stable management, instructor safety awareness, each discipline's horse and rider goals, and teaching and knowledge practices. The seminar offered workshops and lectures by equine experts and authors, sending the participants home with a wealth of information and lots of new ideas.

Ms. Pariseau received overall certifica-

Old Colony Open House

Residents of the community are cordially invited to attend an Open House on Sunday, March 5th, from 1:00 to 3:00 p.m. at Old Colony Regional Vocational Technical High School in Rochester.

The goal of the Open House is to provide residents of the community with the opportunity to observe the educational opportunities available through a vocational-technical education program. Each of the school's twelve vocational programs will be operating and student projects will be on display.

Parents of pre-high school age students are particularly encouraged to attend. Guidance Counselors will be available to explain vocational program opportunities, related academic courses and potential career employment options.

Refreshments will be served by the Culinary Arts Department.

Additional information may be obtained by calling Old Colony at 763-8011.

CHAMBER REPERTORY THEATRE COMPANY

Old Colony Regional Vocational Technical High School's ninth grade students were enthralled by the performance of the Chamber Repertory Theatre Company's collection of short stories. The performance was held at the Zeiterion Theatre in New Bedford and included works by such famous authors as Edgar Allen Poe, O'Henry, Saki, and many others. Students had read and studied the works of each author before attending the performance.

Nancy Castino, an English teacher at the school, stated that "The performance was excellent. The scenery, lighting and costumes added to the excitement of seeing

Heinz Poll founded the Ohio Ballet in Akron, Ohio. In addition to his role as Artistic Director, Mr. Poll is also the chief choreographer, with 22 of his works forming the centerpiece of the active repertory of 37 dances. Each year he creates two new works and adds a piece to the repertory by another choreographer. These are carefully chosen works, often viewed as masterpieces of this century and represent a variety of dance styles, including works by George Balanchine, Paul Taylor, Merce Cunningham and Anna Sokolow. This season three new works will be added to the Ohio Ballet repertory, two by Heinz Poll, and Paul Taylor's "Big Bertha".

The most visible elements of Mr. Poll's working dynamics are, of course, his dancers. The nineteen-member company discards the "star" system, opting instead for an ensemble of performers, with each artist dancing a variety of styles. The company strives for a strong classical technique, with emphasis on contemporary dance values such as vitality, athleticism and personality.

The Ohio Ballet's performance at the Zeiterion is a return engagement. The company performed "Concerto Barocco",
